Members of one program must enroll in the sister program in order to receive equivalent recognition benefits. Credits earned on one brand are not combinable with credits earned from another brand. The benefits of the Captain's Club and Crown & Anchor Society will stay independent and not be combined. Royal Caribbean Crown & Anchor Society Platinum and Emerald levels will be equivalent to Select in Celebrity Cruise's Captain's Club. Royal Caribbean Crown & Anchor Society Diamond, Diamond Plus and Pinnacle Club levels will be equivalent to Elite in Celebrity Cruise's Captain's Club. Gold membership status in Crown & Anchor Society is not part of this benefit. Pinnacle Club membership tier level can only be obtained through earning the appropriate number of Cruise Points on Royal Caribbean ships.

Program level accrual is based on the number of eligible cruise points earned per individual. Cruise Points will be accrued at the end of each completed sailing. **Next tier benefits will be applied on the following sailing after point status has been earned. No next tier benefits shall be applied mid-cruise.**

Guests are eligible for Gold membership in the Crown & Anchor Society after one completed cruise. After 30 completed cruise points, they are eligible to become Platinum members. Cruise Points are awarded to the guest whose name is entered into the reservation at the time of booking and completes the sailing. Eligible cruises exclude all reduced cruise fares (e.g., employee/employee family rates, vendor rates, etc.), affinity groups and other cruises as designated by Royal Caribbean at its sole discretion. All questions or disputes regarding the eligibility for the Program or provision of benefits will be resolved by Royal Caribbean at its sole discretion. Not all services can be provided on all Royal Caribbean ships. We shall not be liable for refunds or for damages resulting from failure to deliver such services. All Program discount coupons are subject to the Terms and Conditions stated herein and on the discount or promotional coupons. Cruise Point Promotions are not combinable. If a sailing qualifies for two or more Cruise Point promotions then additional points will be awarded by evaluating the promotions and giving the guest the best available offer. Each Program member shall be responsible for advising the Crown & Anchor Society of address changes, and we shall have no liability for misdirected mail, or any consequences thereof. Other terms and conditions apply. Program void where prohibited by law.

A Crown & Anchor Society member can be added into a relationship with other family members in the same household and receive equivalent tier status; however Cruise Points will remain according to actual cruises taken and calculated using the Program level accrual system described above. Pinnacle Club member tier status will not be awarded to dependents if earned by their parent and/or guardian. Pinnacle Club member tier status can only be earned by an individual, spouse or significant other by one of them accumulating 700 Cruise Points or more in the CAS program.
